

Information on the processing of personal data

As of 25 May 2018 the Regulation of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation, GDPR) is directly applicable in all Member States of the European Union.

The GDPR, inter alia, provides for extended information requirements in regard to the processing of personal data. In fulfillment of those obligations (in particular Art 13 GDPR) we are hereby informing you about the processing of your personal data carried out by us.

1. What type of personal data (hereinafter “Data”) will be processed?

All personal data given in the registration process (for example Surname, Name, City, Institution, Position, Expertise, e-mailaddress) as well as submitted documents containing personal data as well as further data given in the course of your activity within the platform.

2. What is the purpose of the data processing?

To interlink southern and northern experts and stakeholders to aggregate, generate and disseminate scientific evidence towards the sustainable management of freshwater ecosystems in Eastern Africa, the data is processed in order to facilitate networking activities, engage collaborations and distribute relevant contents.

3. What is the legal basis for the data processing?

Art 6 (1) (a) GDPR – Consent

We would like to point out that the consent can be revoked at any time with effect for the future. This entails

no adverse consequences for you.

the following adverse consequences for you: You will not be able to use the services of the Aquahub platform as a member anymore.

Upon revocation of consent we will in any case no longer process your Data for the above mentioned purpose from this time and, in particular, erase any Data (still) stored, unless the Data is processed on the basis of one of the following legal bases.

4. Is there an obligation for you as a data subject to provide your Data to the University of Natural Resources and Life Sciences, Vienna?

No

5. Is automated decision-making (including profiling) part of the processing?

No

6. Will the Data be transferred to other persons or entities in whole or in part?

Yes, in the course of processing your Data will be transferred to the following recipients for the above-mentioned purpose:

.lowfidelity heavy industries OG, Alser Straße 47/12, 1080 Vienna (processor).

7. Are the recipients mentioned under Item 6 located outside the EU/outside the EEA and/or are they an international organisation?

No

8. How long will the Data be stored and/or what are the criteria for determining the storage period?

Until the end of the relations with the affected person and extending beyond, as long as legal retention periods exist and/or as long as legal claims can still be made of/by this person in relation to the network. In this section the erasure period and/or the criteria for determining the storage period must be stated/described.

9. What are your rights as a data subject?

Generally, you have a right to request from the University of Natural Resources and Life Sciences, Vienna access to and rectification or erasure of your Data or restriction of processing concerning you or to object to processing as well as the right to data portability.

To exercise these rights please contact our data protection officer (for contact details see Item 10).

In addition, you have the right to lodge any appeals you may have with the data protection authority.
